Are you sure that it will be in vain  
To show some love for your fat old man  
Think before you answer  
Are you sure?  
Are you sure?

Are you sure it'd be a waste of time  
To stop and let your love light shine  
Think before you answer  
Are you sure?  
Are you sure?

Are you sure? Are you sure?  
Are you sure? Are you sure?  
Think before you answer  
Are you sure?

Are you sure that there will still be time  
When you realise you've been blind  
Think before you answer  
Are you sure?  
Are you sure?  
Are you sure?  
Are you sure?
