Rain falling and a chance of snow
Jonah Louie on the radio
French beer and mistletoe
That'll be Christmas

Cars queueing on the edge of town
Afternoon with the blinds pulled down
It's just the way the deal goes round
That'll be Christmas

I was going to head for high ground
Just forget it all
But the line's busy I can't make that call
Oh no.

Join the others in the bar by ten
Peace and goodwill to men
Me missing you again
That'll be Christmas

A tired waiter in a stupid hat
Muddy boots on the welcome mat
You just can't say no to that
Hot wine and a Christmas tree
The Sound of Music and the family
Faith hope and gluttony
That'll be Christmas

There's a choir of angels
A choir of soaks
And there's drunk relations telling dirty jokes
Oh no

So I'll join the others in the bar by ten
Peace and goodwill to men
Me missing you again
That'll be Christmas

It's gonna be me missing you again
That'll be Christmas
That'll be Christmas
That'll be Christmas
