Friends will agree
with a pregnant pause
and silently
draw out their claws
It's hard to say no to your face
running away's as easy as running in place

Yes means it's hard to say no to you
and that means I'll do things I don't want to

These are a few
of my dangerous things
You'll have to cut me in two
to count my rings
It's hard to say no to your face
running away's as easy as running in place

Yes means it's hard to say no to you
and that means I'll do things I don't want to

After writing down my darkest thoughts
I should feel just fine
Anyway, would you wanna hear me whine?

All of the bad
is good in disguise
hear me, say OK
but look in my eyes, look in my eyes

Yes means it's hard to say no to you
and that means I'll do things I don't want to
Yes means it's hard to say no to you
and that means I'll do things I don't want to
