Take what you need
All your jealous greed
You just want to see me bleed
You don't give don't know how to live
Burning down another bridge
I don't like it - I got no friends at all
I don't need it - I got no friends at all
I don't want it - I got no friends
Seein' myself in your own black eyes

You don't care You just don't care
Is there anybody there
No one's home I'm here all alone
Waiting on the telephone
But it's lost it's ring

I don't like it - I got no friends at all
I don't need it - I got no friends at all
I don't want it - I got no friends
Seein' myself in your own black eyes

My best friend til the very end
Hope you'll never comprehend
You don't way not another way
You don't even know the day

I don't like it - I got no friends at all
I don't need it - I got no friends at all
I don't want it - I got no friends
Seein' myself in your own black eyes

What you want what you wanna say
What you want doesn't go away

Once you're gone what you gonna do
I'm in here I'm in back of you
What you say when you've gone away
What you say when you run away
Once you're gone what you gonna do

Got no friends
Got no friends
