Please don't believe  
Things that just don't matter  
Can't hide what you can't see  
Behind the worn out laughter  
Sometimes I smoke and drink too much  
And my brother sure can write  
The money it ain't nothing (oh no)  
When you cash in a heart full of lies

You got to duck before before the bullets fly  
And laugh alone when the  
Wind starts to cry  
When you're on empty  
You're on borrowed time  
Just duck before the bullets fly

Sometimes I can't remember  
What is is I wanna forget  
Another heart broken mama (oh no)  
The name on a bullet (oh ya ya)  
Is it the shade of my greed  
Or a flaw in my pride (ya)  
I just wanna succeed (please)  
For once in my life (once in my life)

You got to duck before the bullets fly  
And laugh alone when the  
Wind starts to cry  
When you're on empty  
You're on borrowed time  
Just duck before the bulkets fly

I've been raised on belief (ya)  
On things that just don't matter (ya)  
And the shade of my greed  
(The shade of my greed) (ya)  
Sheds light on a life Filled with worn out laughter

You got to duck before the bullets fly  
And laugh alone when the  
Wind starts to cry  
When you're on empty  
You're on borrowed time  
You got to duck before the bullets fly  
And laugh alone when the  
Wind starts to cry  
When you're on empty  
You're on borrowed time  
Just duck before the bullets fly

You've got to duck
