There's a dragon in the flames  
Don't step out  
You'll get burned by the rain  
It's a lonely corridor  
Like the walls in a second hand store  
There's too many puppets  
Marching in the parade  
Put on the mask carry on the charade  
The crowd sends in it's only child  
A savior with a sultry smile  
And do you think he would save the day  
I think - he'd begin to play  
Sing in

Oo don't smoke your dreams away  
Just let the children play  
Until the blue skies start another day  
Ah yeah  
Ooo don't smoke your dreams away  
Just let the children play  
Until the blue skies start another day

Some are crafty and insane  
Find their power  
In the poor man's pain  
There always in conttroll  
And they never want to let it go  
And if you believe in fate  
Separation between the church and the state  
Get on your knees and pray  
God's ready for the judgement day

And do you think  
He would save the day  
I think he begin to play

Sing in  
Ooo don't smoke your dreams away  
Just let the children play  
Until the blue skies start another day  
Ah yeah  
Ooo don't smoke your dreams away  
Just let the children play  
Until the blue skies start another day  
Ah yeah

Oh do you think  
They would save thee day  
I think I can hear them say

Sing in  
Oo don't smoke your dreams away  
Just let the children play  
Until the blue skies start another day  
Ah yeah  
Oo don't smoke your dreams away  
Just let the children play  
Until the blue skies start another day  
Bring on the blue skies

Ooo don't smoke your dreams away  
Ooo don't smoke your dreams away  
Ooo don't smoke your dreams away
