I'm just trying to say
For you know what I mean
I'm just trying to get it together
Just for you and me
But I just can't find the words to continue
So I'm gonna spell it out for you
I spell it L-O-V-E love
L-O-V-E

The melody of life in tune
Will soon point to you
And then you'll come to find
One heart beats for two

And in case you didn't notice this time
I'm gonna spell it out for you
I spell it L-O-V-E love
L-O-V-E

It's not gonna happen
After all the truth is silky smooth
I can't judge by your reaction
You're gonna lay it all on me

It's for the meager and the meek
The strong and destitute
For everyone to share
So let's start with me and you

And if you still don't understand baby
I'll spell it out for you

I slepp it L-O-V-E I'm in love with you baby
L-O-V-E love love love
Love I'm in love with you
I've got love for you
