PURCHASE MY FREEDOM (West Arkeen)

Lead Vocals: West Arkeen

Backing Vocals: Mike Shotton

Guitars: West Arkeen

Bass: Duff McKagan

Drums: Abe Laboriel

I need an annulment
It's not my cup of tea
It's too big a pill to swallow
I just disagree
I got too much money and sense to spend on you
And I won't sit around and be your apathetic fool
So tell me when will I purchase my freedom
Not that I'm trying to lean on you
So tell men when will I purchase my freedom
I need some room to breathe and I don't need you

Well if I'm addicted to cocaine
Then that's my choice of vice
It's probably a problem
But I choose to pay the price
So backtrack on your attitude
The verdict's not complete
But I won't sit around
And be a victim of the street

So tell me when will I purchase my freedom
Not that I'm trying to lean on you
So tell me when will I purchase my freedom
I need some room to breathe and I don't need you

Set me free set me free
I gotta find myself some sanity
Set me free set me free
When will I find myself some sanity

Well I've double checked everything
Even looked between the seams
The problem that I find

Is I'm a legendary fiend

So backtrack on your attitude
The verdict's not complete
I won't sit around and be a victim of the streets

So tell me when will I purchase my freedom
Not that I'm trying to lean on you
So tell me when will I purchase my freedom
I need some room to breathe and I don't need you
I said I need some room to breathe
And I don't need you
You know I need some room to breathe
And I don't need you
