Stumble home the hotel room was sixty three
But I think I lost or misplaced the key
Seemed a long way back to the elevator down the hall
Even further more to the alley in the basement
But I wound up in a Vega
I wound up in a Vega
How'd I wind up in a Vega
I wound up in a Vega

Now I sleep for days, need a rest been up for three
Started seein' things that weren't there I heard an
Indian
Drummer in my head pound a rhythm that I could not
keep
Seventy floor's high but I think I dug down deep

I wound up in a Vega
I wound up in a Vega
How'd I wind up in a Vega
I wound up in a Vega
I wound up in a Vega
I wound up in a Vega
How'd I wind up in a Vega
I wound up in a Vega
It's no fun
It's no fun
It's no fun

I used to be the man livin large in luxury
Let my guard come down and it all caught up to me
If there's a little left of you in every part of me
Step inside take a ride with me to your destiny

I wound up in a Vega
I wound up in a Vega
How'd I wind up in a Vega
I wound up in a Vega
I wound up in a Vega
I wound up in a Vega
How'd I wind up in a Vega
I wound up in a Vega

It's no fun
