It's always been accepted
It had a certain style
Living unaffected
Till I saw you smile
A smile's a shortest distance
Love's a one way track
Once you started rolling
Ain't no turning back

Oh I (I had to fall in love)
Fall in love (I had to fall in love)
Whoa, oh oh oh
I Had to fall in love with you
Oh I (I had to fall in love)
Had to fall in love (I had to fall in love)
Oh oh oh, fall in love

Supposed it's only natural
It happens all the time
That's what makes the world go round
You put a spin on mine
Set my head a reeling
Time and time again
Still I can't help dealing
Love is the sweetest pain

Oh I (I had to fall in love)
Had to fall in love (I had to fall in love)
Oh oh oh
I had to fall in love with you
Oh I (I had to fall in love)
Had to fall in love (I had to fall in love)
Oh oh, fall in love

[INTERLUDE]

Do do-do-do do do
Do-do-do do do
Do-do-do-do do do do

CHORUS

Do do-do-do do do
Do-do-do do do
Do-do-do-do do do do

Ohhh, oh (I had to fall in love)
Ohhh, oh oh (I had to fall in love)
Oh ohhhhh
I had to fall in love with you
I, I, I, I, I (I had to fall in love)
Had to fall in love (I had to fall in love)
Yeah, yeah, yeah
I had to fall in love with you
Whoa, oh (I had to fall in love)
Whoa, oh oh oh (I had to fall in love)
