Last week I had a dream

I dreamed I heard my mommy scream

Someone crept up next to her bed

And laid an axe across my mommy's head

Blood splattered all over the place

I could feel it hot against my face

I woke to find it even on my clothes

But that was about a week ago

CHORUS

Mommy stinks real bad now

Now, now, now, now, now, now, now now

Mommy stinks real bad now

Now, now, now, now, now, now, now now

Mommy stinks real bad now

Now, now, now, now, now, now, now now

Mommy stinks real bad now

Knock knock, oh Mommy are you there

I've been looking for you Mommy everywhere

Won't you please open up your door

Don't you love me Mommy anymore

You know you can't stay in bed all day

Just think of what the neighbors will say

Oh Mommy why do you let those flies

Lay their eggs inside your eyes

CHORUS

Oh Mommy Mommy please get out of bed

I'm so sorry someone smashed your head

I promise to be a good little boy

And pick up all of my toys

Just think what Dad will say

When he gets home today

Oh Mommy please get out of bed

Please Mommy don't be dead

CHORUS
