Empty

[Limited edition bonus track]

[Chorus 1:]

They might say this never happened
I'd say it just did
Never have I felt it stronger
Someone's wrong and I am right

In a world of disillusion
Loitering away your time
There's no harm in reconstruction

Paint the world in black and white

[Chorus 2:]

Beyond redemption won't exist
Redeploy your mind
Find your strength and recuperate
Reflections in an open mind
Nestling fly with me
Find a way to see...

[Chorus 1]

[Chorus 2]
