No risk, no fun
I'm here, you're gone
I'm cool, you're hot
I love you not

Don't say a word
Unless you're heard
I know, I hate
To see you rude

I think I'll let you down
You should have let me go
I think I'll make you leave
'Cause you have lost control

I think I'll let you down
You should have let me go
I think I'll make you leave
'Cause you have lost control

You've pushed the line too far, bye-bye
Turn over, there's no need to try
You waste your time
You're absolutely useless, baby

I think I'll let you down
You should have let me go
I think I'll make you leave
'Cause you have lost control

I think I'll let you down
You should have let me go
I think I'll make you leave
'Cause you have lost control

I think I'll let you down
