Reverie

Car-crash and an elevator  
Make you someone else  
Never try yourself  
Restore you  
Tick-tock clock and teddy boys  
Bop 'till you're fagged out  
Open windows shout  
She wore me, she wore you

Walk these streets  
She's concrete  
Reverie  
All is free

Knick-knack, flashy bric-a-brac

Seesaw heartbeat, she is back  
Windscreen eyes are black and blue  
She saw you  
The Fleet Street scooter-boys are due  
They want to see you  
You're vogue and hip and on a rendezvous  
Adore you

Walk these streets  
She's concrete  
Reverie  
All is free
