Willow...

Uhm, hello, can we get the party started, yeah!

Uhm, hello, can we get the party started...

Young Money...

[Hook]

I'm the fireball, I'm the fireball, I'm the fire

I'm the fireball, I'm the fireball, I'm the fire

I'm the fireball, I'm the fireball, I'm the fire

Fire, fire, fireball

Since I landed here, I go phone up Obama

Shook the world up, now I caused a little drama

Leader of the new school, and yes I'm gonna light up
the block to the stage

When I wanna

Brighter than the stars, imma head of the curb

Don't go walk it out jigga, check I want with a slur

Levitating in mom's over with the phone

Imma rock the world, til they follow her

[Hook]

I'm the fireball of the party, I'm the fire

I'm the fireball of the party, I'm the fire

I'm the fireball of the party, I'm the fire

I'm the fire, I'm the fire

I'm the fireball of the party, I'm the fire

I'm the fireball of the party, I'm the fire

I'm the fireball of the party, I'm the fire

I'm the fire, I'm the fire

See I ain't never been the one to toot my own horn,

beep, beep

Now watch me put on

I set fire everywhere I plane, make them all go insane,

L.A to UK

Now Imma burn it up, when I step on the scene
My all crew is fresh, and they rolling with me
You can turn me up yep yeah to the extreme
Imma rock the rock til they follow with me

[Hook]

I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fire, I'm the fire, I'm the fire, I'm the fire

I'm the fireball of the party, I'm the fire

I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fire, I'm the fire, I'm the fire, I'm the fire

[Nicki Minaj - Rap Verse]

Hey yo Willow, didn't I just see you in China?(what up!)
You real major even though you're a minor(uh uh)
Your daddy keep ya in designer
You're girly, girly, girly, yeah you're girly, kind of
Okay, I'm the street fighter, call me chung lee
And it's going down like a bum knee
Booked the guest house to put the coop in
Cause I'm a fireball hadouken
Put your arm on my wing, I'm the top boss
Ain't from louisiana, but I'm hot sauce
... and just to come and build a house off
So why I never gonna worry what the house cost
If they coming at you, tell them raise up
When it's time to whip your hair, put your braids up
Tell them escalator, elevator, yeah come on major,
stop your wait up, been
Nobody greater, will and jada is my neighbour hater

[Hook]

I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fire, I'm the fire, I'm the fire, I'm the fire

I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fireball of the party, I'm the fire
I'm the fire, I'm the fire, I'm the fire, I'm the fire

Watch the fire burn... burn, burn
Watch me heat it up up up
Watch the fire burn... burn, burn
Watch me heat it up up up

Watch the fire burn... burn, burn
Watch me heat it up up up
