

## The Quill

### "I Am Me"

Visit "[I Am Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(Singing)

I'm me-ee

I'm me-ee

And that's all I can be

I'm me-ee

I'm me-ee

And that's all I can be

I'm free-ee-ee

And you can't stop ME!

I'm free-ee-ee

And that's all I can be-ee-ee-ee

Days pass

I'm try'na find who I'm really am

(I've been lookin')

People don't like the way I dress

Or where I'm at

(I've been lookin')

I've done my hair and it's not just?

(I've been lookin')

Your validation is just not that important to ME!

I'm me-ee

I'm me-ee

And that's all I can be

I'm me-ee

I'm me-ee

It's my born ability

I'm free-ee-ee

And you can't stop me

I'm free, I'm me  
And that's all I can be-ee-ee

Night falls  
And I find, it's here I am in peace  
(I've been lookin')

Makin' friends with spirits lost and it  
Set's me free  
(I've been lookin')

Express myse-e-elf  
'Cuz it's my liberty-y  
(I've been lookin')

Your validation is just not that important to ME!

I'm me-ee  
I'm me-ee  
And that's all I can be (and that's all I can be! )

I'm me-ee  
I'm me-ee  
It's my BORN ABILITY!

I'm free-ee-ee  
And you can't stop me!

I'm me-ee  
I'm free-ee  
And that's all I can be

I am me, I am me, I am me  
I am free, I am free, I am free

I am me, I am ME, I an me-ah  
I am FREE, I am FREE-AH

I am me, I am me, I am me  
I am free, I am free, I am free

I am me, I am ME, I am ME  
I am FREE I am FREE!  
OOOHHH!

(Talk-singing)  
Create yourself  
Redeem yourself  
Renew yourself

Be you, do what you dooo

Hold you head up high  
Everything's gonna be alri-i-ight

You're you  
I'm me  
Let's live in harmony

Co-exist with each other  
Love each other

Be yourself  
You have to be yourself  
Be rea-eal!

Be honest  
'Cuz ain't nobody got time for that  
They really don't

(Talking)  
So, listen to me  
Listen to this song

Because this is real facts (heh-heh-heh)  
(Laughing)  
That will help you move along  
(Talking)  
Yeah, a-heh!

That's all I wanted to say, so  
I love you guys, so much

Hope you like this song and...  
You know, YOLO

?, yeah, A-heh-heh!
