There's a light, A certain kind of light
That never shined on me
I want my life to be
To live with you, to live with you

There's a way everybody says
To do each and every little thing
But what is 'Everything'
If I ain't got you, ain't got you, baby

You don't know what it's like
You don't know what it's like
You don't know what it's like, baby baby
You don't know what it's like
To love somebody, To love somebody
The way I love you

In my brain, I see your face again
You know my frame of mind
You ain't got to be so blind
And I'm blind, so very very blind, baby

You don't know what it's like, baby
You don't know what it's like
To love somebody, To love somebody
The way I love you

You don't know what it's like, baby baby
You don't know what it's like
You don't know what it's like,
You don't know what it's like

You don't know what it's like, baby
You don't know what it's like
You don't know what it's like,
You don't know what it's like
