### "Amazing Grace"

I can't get enough to say get enough to pray  
In praise I find my heart carried away  
I'm so grateful for grace I'm a thankful mess  
It's growin every moment 'cos You love to bless  
I'm impressed to be changed by Your spirits actions  
You acted in love and now I'm reactin  
I'm flyin I'm faced down respondin  
Each moment I'm jumpin for joy feet stompin

Amazing grace how sweet the sound  
I once was lost but now I'm found

Stand up Bring it on bring it on  
Get down Everybody in the place  
Stand up Cos I'm gonna overload  
Get down With amazing grace

I'm composing tryin to keep from exploding  
Light in my eyes with vision wide open  
Jesus my provider my friend  
Stronghold and safety from now 'til end  
I'm bendin never changin in my faithfulness  
In truth and His wonderful holiness  
When we're face to face it's my favourite place  
I'm overwhelmed by his amazing grace

And this is why you died

Amazing love how can it be  
That you should die instead of me
