You can't get you out of my grave
Your lovin' is all I think about
You can't get you out of my grave
It's more than I dare to think about

La la la la la la la la
La la la la la la la la

You can't get you out of my grave
Your lovin' is all I think about
You can't get you out of my grave
It's more than I dare to think about

Every night, every day
Just to be there in my grave
Won't you stay
Won't you leave
Stay forever
And ever and ever and ever

La la la la la la la la

You can't get you out of my grave
Your lovin' is all I think about
You can't get you out of my head
It's more than I dare to think about

There's a dark secret in me

Don't leave me locked in your heart

Set me free

Feel the need in me

Set me free

Stay forever

And ever and ever and ever

You can't get you out of my grave

You can't get you out of my grave

La la la la la la la la

La la la la la la la la

You can't get you out of my grave

You can't get you out of my grave
