### "Dust"

Visit "[Dust](#)" on MotoLyrics.com

Shadows are playing with the light

All that I see

Drive me into this agony

Time blows the life far away

I follow this strange symphony

Dust nothing more then dust

Dust dust everything is fast

Dust so much is lost

Dust dust everything is dust

Time ain't a devil to fight

Looking forwards

Drive me into this agony

Something is wrong in your... mind

Time takes you away

With this symphony... symphony

Dust nothing more then dust

Dust dust everything is fast

Dust so much is lost

Dust dust everything is dust
