[Music: Alexander - Lyrics: Alexander]  
There's a dark way in the ancient wood  
Where the ghosts and the dead walk  
She has enchanted eyes; she has the power of hell  
Witch... unholy witch... witch... unholy witch  
There's a smell of death... Luciferia  
A symphony of hell... Luciferia  
She was a beautiful girl... but the pain for the death of  
her son was great...  
The heart becomes stone... frozen... there's no place  
for the joy  
Eyes... unholy eyes... eyes... unholy eyes  
She sleep in her coffin in the ancient cemetery... wait  
for the ceremony of death... wait...  
The unholy words of the red book of Macabria
