### "My Winter Storm"

In my winter storm I sit and wait  
In solitude i agonize  
While the snow freezes my flesh  
With its cold cloak of death

Bashlissa tis nixtas  
Despoina H Lamias  
Anassa tou 8anatou  
Bashlissa Hsxias

Bashlissa ematos  
Psixh tis Ado3ias  
Anassa tou 8anatou  
Bashlissa Hsxias

Memories - Loud as screams  
Silently they come back again  
Memories -Falling down  
Can't go back the way I come from

Hiding from the gaze of God  
Watching life passing by  
While the snow freezes my flesh  
With its cold cloak of death

Memories - Loud as screams  
Silently they come back again  
Memories -Falling down  
Can't go back the way I come from
