As I bring the blitz  
Comin cool like Brits  
Styles wicked and cris  
Sounds of the turntablist  
With the flick of the wrist  
Let me see you come and step to this  
I'm comin down with the junglist  
I'm comin down with the junglist  
I always said you could handle this  
So get your name down on the checklist  
And live a life that is lived in His  
'Cos it's like that and that's the way it is  
Not for the money, not for the showbiz  
Never do it like an exhibitionist  
Listen up 'cos I already test this  
Listen up 'cos I already test this

Time to let Him take control  
Let the Spirit in  
Heal my mind and fill my soul  
Let the end begin

[Chorus]

Love will rise  
We're comin at you with the blitz  
To fill the skies  
You gotta get with this  
Realised  
Time to let Him take control  
Completely  
Gotta gotta gotta roll  
Death will fall  
Step back and see the world divide  
Once and for all  
And that's when you decide  
Hear my call  
Are you gonna ride with this  
Believe me  
'Cos we're bringing on the blitz

As I let it show  
As I let this flow  
Yeh you gotta know' I'm gonna give it yo you like a pro  
Never lose control  
Keep it tight til it's my time to go  
I break it down as I bring it down as I take it down  
As I break it down take it down low  
Hope you're listenin, bro  
Jesus Christ got me hot like whoa  
And I can feel it from my head to my toe  
And that's the reason why I'm letting you know  
Already told you it's not for the dough  
So don't be slow  
Take up the tempo  
I wanna hear what the crowd say hear  
What the people what the crowd say yo

Angel standing in the sun  
Calling out to you  
Will you hold or will you run  
Stay within the truth
