"The Lost Grace"

This is lost and lost to me
Condemned to be where you were not
Distance is haunting me
In golden chains so far away

In thy realm of mud and hate
Hold me in your marble embrace

Despised for loving you
Despised for hating you now

The roar of the ocean hurts me
I feel the grace departing
And the light forever lost
And the grace forever gone

The snow buries me in its flesh
Deep I scream but she's left

The roar of the ocean hurts me
I feel the grace departing
And the light forever lost
And the grace forever gone

I'm calling you my love
The storm takes all my screams away
I'm dying for you my love
I'm lost alone with my pain

I'm calling you my love
The storm takes all my screams away
I'm dying for you my love...my love
