[Music: Fabian - Lyrics: Alexander]

A noise in the silent cemetery... a shovel, bones, smell
of death, rotten bodies...

Strange sounds from the ancient unholy church, rites
of black magic...

The lady in black reads the red book of Macabria, the
crow on her shoulder calls the dead...

... For the ceremony of blood.... the undertaker opens
the coffin of Luciferia

Now the lady in black reads the unholy words

Lady in black:

"Come to us ancient spirit of Macabria... we are waiting
for you, give me thee dark power of life & death... we
want the foreigner..."

Luciferia take the knife... cut the child's throat; she
raises the chalice and pours inside the blood

The crows lick deep the drops fallen on the ground, the
undertaker digs the graves for the new dead comers....

The Undertaker:

"There's no return for you foreigner... eh, eh..."

Macabria wants you... and your soul..."
