Infernal! This is my kingdom  
Pleasure from pain...pain...pain!  
Welcome in our theatre of horrors  
Welcome in the theatre of vampires  
This night you will be our victim

Will become a vampire!  
Will look with other eyes!  
Will listen with other ears!  
Will drink with another mouth!

Horror! This is my entertainment  
Enjoyment from the suffering  
Welcome in our unholy theatre  
In our prison of blood  
A Macabre symphony...  
A communion of blood and lust  
Perversion without limits, drink in the chalice  
Eat the body of chirst! Look! The horror show  
Flesh and blood... agony and pleasure  
Tonight you will become a vampire  
An angel of evil and death  
In the greatre of horrors, Theatre of Vampires
