This night...I feel your breath
This night...I hear your voice
This night...I feel your breath
This night...I hear your voice
When you walk my dark path,
Love like a bloodbath
Other vision...other eyes
A vampiric sado-enchantment (x2)
VAMPYRICA (x2)
Your pain...you don't want this
You want...you want another life
When you walk my dark paths,
Love without heart
Other life, other power,
A vampiric transformation
Your pain...you don't want this
You want...you want another life (x2)
When you walk my dark paths,
Love without heart
Other life, other power,
A vampiric transformation (x2)
When you walk my bloodpath,
Love like a bloodbath
When you walk my dark path,
Love without heart
VAMPYRICA
When you walk my bloodpath,
Love like a bloodbath
When you walk my dark path,
Love without heart (x2)
