Give me back my mind,
Give me back my dreams!
Not another day,
Not another lie!
I don't want this,
I don't want that,
I don't want to lie...
Stop it, stop it, stop it, stop it...
Give me back my mind...

Wherever you are I'll be there
We can live another day...
Whoever you love I'll be there
To remember all these days...
Wherever you are I'll be there
To believe it once again...
Wherever you are,
Whoever you love,
I'll never let you go...

I can't go on, stop this run...
You steal my breath you steal my sun;
Give me back, back my life...
We can live it, don't lie;
Give me back my life,
Give me back my days!

I don't want this,
I don't want that,
I don't want to lie,
I don't want this,
I don't want that...
Please don't let me cry!
