"Lucky Man"

You, standing there,
unaware
I look at you and I
understand
That I am such a
lucky man
You, slowly turn,
slowly smile
And it hits me so hard,
once again
I am such a lucky man
Sometimes it's all so
clear
There's a reason you are
here with me
Life has its ups and
downs
But I'll get through
If I can stay with you
Forever
I look in your eyes and I
understand
I am such a lucky man
There's a reason you are
here with me
I know I'll get through
If I can stay with you
Forever
I know I don't tell you
enough
But it's the way that I feel
I look at you and I
understand
That I am such a
lucky man
Who could have planned
That I would be such a
lucky man...
