When I knew nothing most things seemed very clear
There was a way to take to get too far or near
But now the road is rougher
And life is getting tough
I've had enough, enough of

Chorus:

Jigsaws, all that I ever see
Unsure where I want to be
See-saw, you standing next to me
The edges of my days are all astray

Friend can I take a few of your decisions now
I can not stay this way so I'll make a change somehow
And now the time is later
I don't think I should wait
I must escape, escape from

Chorus

Jigsaw
The way is shattered at your feet it touches you
See-saw
You're upside down, it clutches you, it touches you
Jigsaw
Jigsaw
Jigsaw

Here in the center of an endless hazy maze
I know I lost the way and I don't know nights from days
And now there's no solution
I know that I can't use all the confusion, all the
