He stood with bow in hand as the curtain rose  
Thunderous applause  
It was a day that she would remember  
Eyes staring straight ahead as the music flowed  
From his fine thin hands  
Lady from Tuscany captivated  
Satisfied all his needs  
Fed him with desire, held him like a child  
Closer than anyone  
Legend surrounds him  
Fire, obsession  
He had a taste for life like no other man  
Overwhelming man Leader in time with public approval  
Then as his gift took over his torture grew  
Lady slipped away  
Waits in his shadow watching changes  
He doesn't notice her  
Flirting with another, wishing for him  
She travels far away  
Legend surrounds him  
Lady, his passion  
Beauty followed her to a friendly field  
She floats there with no cares  
Mistress of the night in her precious room  
She longs for her loved one  
Satisfied all his needs  
Fed him with desire held him like a child  
Closer than anyone  
Legend surrounds her  
Water no fire  
Lady like no other  
Mad man adored her  
Legend surrounds her  
Water no fire  
Lady like no other  
Mad man adored her
