Day by day I'm feeling the need
To search to find
Hear the voices speaking to me
They're in my mind
It's Majik, it's tragic

What is happening to me?
Another no name tragedy
Majik (can't you understand)
Majik (the children are close at hand)

Once so long ago I'd explain
Each feeling clear
Now the thoughts they dance and they weave
To disappear
It's Majik, it's tragic

What is happening to me?
Another lost game lost to me
Majik (have the rights to resist)
Majik (before it takes to the wrist)

Surround yourself in a cloak of stars
This must be heaven
You've held to answer the early hours
They have been given to you

What is happening to me?
Another lost game lost to me
What is happening to me?
Lost in twilight memories
Majik (now your life's in a test)
Majik (feel your voice in a fist)

What is happening to me?
Another lost game lost to me
What is happening to me?
Another no name tragedy
What is happening to me?
Hear the voice I speak to me
What is happening to me?

Lost in twilight memories
What is happening to me?
The Majik surrounds all I see

What is happening to me?
Another no name tragedy
What is happening to me?
Another lost game lost to me ...
