The last that ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadow

Lost in a riddle that Saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through

The trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadow

All she saw was the silhouette of a gun  
Far away on the other side  
He was shot six times by a man on the run  
And she couldn't find how to push through

I say, I pray  
See you in heaven far away  
I say, I pray  
See you in heaven one day

Four AM in the morning  
Carried away by a moonlight shadow  
I watched your vision forming  
Carried away by a moonlight shadow

Stardust glowing in a silvery night  
Far away on the other side  
Will you come to talk to me this night  
And she couldn't find how to push through

I say, I pray  
See you in heaven far away  
I say, I pray  
See you in heaven one day

Caught in the middle of a hundred and five

Ooh, ooh, ooh  
The night was heavy and the air was alive  
But she couldn't find how to push through

Carried away by a moonlight shadow  
Carried away by a moonlight shadow

Lost in a riddle that Saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through

Carried away by a moonlight shadow  
Carried away by a moonlight shadow
