Pictures in the fire  
Reflections of myself  
Take a look in the mirror  
What do I see  
A portrait of me

Chorus:

And the smoke curls up the chimney  
Sending messages of love  
But you're so far away  
So far away

This cold wintry evening  
I curl up by the fire  
I wonder what you're doing  
I know we agreed  
To part for a while

Chorus

So here I am alone again  
Pretending that you're with me  
I can't so no/she can't say no  
And I can't let go/and she can't let go  
I thought he'd never leave me

Turning round I see you  
I know it's tonight  
It's just my heart deceiving  
A trick of the light

And the smoke curls up the chimney  
Sending messages of love  
If only you were with me  
Oooh oooh oooh oooh  
Oooh oooh oooh oooh / oooh oooh oooh  
Oooh oooh with me

And I can't say no ... she can't say no  
And I can't let go ... and she can't let go

Pretending that you're with me

So here I am alone again  
Thought you'd never leave me
