I always knew we were meant to be lovers
I always knew we were made for each other
I always knew there was no one else could make me
feel this way
But when you go away

Chorus:

The angels cry
Each time we say goodbye
The angels cry
Each time we say goodbye

The summer sun always shines when you're with me
I feel its warmth in the love that you give me
I feel your touch and I know that's where I always want
to stay
But when you go away

Chorus

When we're apart
The rain it falls
The wind it calls
For you my love

Right from the start
When our love was young
The rising sun
The only one was you my love

I always knew we were meant to be lovers
I always knew we were made for each other
I always knew there was no one else could make me
feel this way
But when you go away

Repeat chorus three times
