HERE COMES THE NIGHT

The Them

CHORUS: ?Woh, here it comes

Here comes the night, here comes the night

I could see right out my window, walkin' down the  
street, my girl with another guy  
His arm around her like it used to be with me, oh it  
makes me want to die  
Yeah, yeah, yeah

CHORUS: ?Well, here it comes

Here comes the night, here comes the night, woh yeah

There they go, it's funny how they look so good  
together, wonder what is wrong with me  
Why can't I accept the fact she's chosen him and  
simply let them be  
Woh, woh, woh  
REPEAT CHORUS  
LEAD BREAK

She's with him, he's turning down the lights and he's  
holding her the way I used to do  
I can see her closing her eyes and telling him lies,  
exactly like she told me, too  
Yeah yeah yeah

REPEAT CHORUS
