Let's go walking where the boats go by  
And watch them sail across the bay  
Let me hold your hand in the morning fog  
Little child I want to walk your dog  
Hey, hey girl

And let's go walking up that mountain slope  
And look down on the city down below  
I will make a fool of you  
Hey, hey girl  
Hey, hey girl  
You're so young  
You make me lose my mind  
Hey, a-ha, there goes your baby sister  
FADES-  
Lookin'
