You must leave now

Take what you need  
you think will last  
But whatever you wish to keep  
You better grab it fast.  
Yonder stands your orphan  
with his gun  
Crying like a fire in the sun.  
Look out the Saints are comin' through  
And it's all over now  
baby blue.

The highway is for gamblers  
better use your sins  
Take what you have gathered from coincidence  
The empty handed painter from your streets  
Is drawing crazy patterns on your sheets  
This sky too  
is folding under you  
And it's all over now  
baby blue.

All your seasick sailors  
they are rowing home  
All your reindeer armies  
are all going home  
The lover who just walked out your door  
Has taken all his blankets from the floor  
The carpet too  
is moving under you  
And it's all over now  
baby blue.

Leave your stepping stones behind  
something calls for you  
Forget the dead you've left  
they will not follow you  
The vagabond who's rapping at your door  
Is standing in the clothes that you once wore  
Strike another match

go start anew  
And it's all over now  
baby blue.
