Do nothin' till you hear from me  
Pay no attention to what is said  
Why people tear the seams of anyone's dreams?  
It's over my head

Do nothin' till you hear from me  
At least consider our romance  
If you should take the word of others you've heard  
I haven't a chance

True I've been seen with someone new  
That doesn't mean that I've been untrue  
Though we're apart these words in my heart  
Reveal how I feel about you

So kiss me cloud my memory  
And other arms may hold a thrill  
But please do nothin' till you hear it from me  
And you never will
