(Gladys Dubois - Con Conrad - Russ Columbo - Paul Gregory)

I can't forget the night

I met you.

That's all I'm

Dreaming of.

And now you call it madness.

But I call it love.

You made a promise

To be faithful

By all the stars

Up above.

Now you call it madness.

But I call it love.

My heart is beating.

It keeps repeating

For you constantly.

You're all I'm needing,

So I am pleading,

Please come back to me.

You made a plaything

Out of romance.

And what were you

Thinking of.

For now you call it madness.

But I call it love.

My heart is beating.

It keeps repeating

For you constantly.

You're all I'm needing,

So I am pleading,

Please come back to me.

You made a plaything

Out of romance.

And what were you

Thinking of.

For now you call it madness.

But I call it love.
