Walking slowly
Through the darkest of mists
Unreal is my trip
On the alley of the dreams

Lost in nightmares, causing pain
Cursed in my sleep
Searching for my shadowed self
Soul without own face

[Chorus:]
On my trip to find myself I roam
I'm walking, lone walking
Where are the secrets that I need to know
Dreamburied and scary

Outraging common sense
Withstanding my fears
Wandering in my sleep
Minutes pass like years

[Chorus]

How I came here
Who brought me there
Going nowhere
Lonely and scared
Unreal is my trip
On the alley of the dreams

Lost in nightmares, causing pain
Cursed in my sleep
Searching for my shadowed self
Soul without own face

Look into my empty eyes
Mirror of the soul
Caves without a spark or flame
Where feelings die unborn
