You're the lucky one, so I've been told  
As free as the wind, blowin' down the road  
Loved by many, hated by none  
I'd say you were lucky, 'cause I know what you've done  
Not a care in the world, not a worry in site  
Everything's gonna' be alright, 'Cause you're the lucky  
one

You're the lucky one, always havin' fun  
A jack-of-all-trades, a master of none  
You look at the world with a smilin' eye  
And laugh at the Devil as his train rolls by  
Give you a song and a one-night-stand  
You'll be lookin' at a happy man, 'cause you're the lucky  
one

Well you're blessed, I guess  
By never knowin' which road you're choosin'  
To you the next best thing to playin' and winnin' is  
playin' and losin'

You're the lucky one, I know that now  
Don't ask you why, when, where or how  
You look at the world through your smilin' eye  
And laugh at the Devil as his train rolls by  
Give you a song and a one-night-stand  
And you'll be lookin' at a happy man, 'Cause you're the  
lucky one

Well you're blessed, I guess  
By never knowin' which road you're choosin'  
To you the next best thing to playin' and winnin' is  
playin' and losin'

You're the lucky one, I know that now  
Don't ask you why, when, where or how  
No matter where you're at, that's where you'll be  
You can bet your love won't follow me  
Just give you a song and a one-night-stand  
You'll be lookin' at a happy man, 'cause you're the lucky  
one
