Thanks to Davide for these lyrics.

I was walking down the street today
Just as somebody blew the doors off of the B of A
Just then I head them call my name
As I was thrown against the car
I was being framed

All units we've got our man
We've got the bank robber man
We don't need no reason
You're going in the can
You look like the bank robber man

I think you misunderstand
Do you think that I am the one that did it
Just because I'm tan?
Just then the officer at hand said
I don't give a damn that you are in a rock and roll band

All units we've got our man
We've got the bank robber man
We don't need no reason
You're going in the can
You look like the bank robber man

Just tell me what's going on ?
Can you tell me what I did wrong ?
Does busting me make you feel strong ?
Make you feel strong

All units we've got our man
We've got the bank robber man
We don't need no reason
You're going in the can
You look like the bank robber man
