(Krayzie)

Raw, raw, raw. . .

Retaliation is a must, nigga

The enemy must suffer the muthafuckin'  
consequences

Deadly. . .

Yeah, I want all of these muthafuckas dead

I don't wanna see one muthafucka left breathin'

Kill all these muthafuckas

(Chorus)

Them niggas be killas

Payback is a bitch, and the bitch is on the period,  
period

Bloody, bloody murder. . .

Payback is a bitch, and the bitch is on the period,  
period

Killa . . . .

(Krayzie)

I'm thuggin off in my house out in Cleveland

Weeded, I'm sleepin', P.O.D.'ed

Dozed off, but I was awakened by the telephone ringin'

I picked it up

Hello? At first, nobody would answer me, so I said it  
again

Hello? Somebody starts breathin'

Not thinkin', I hung up the phone

Niggas be playin' jokes, I payed it no mind

It could've been just my fuckin' friends

Then I sat back and closed my eyes

no more than four seconds, it rung again

Hello? And why in the fuck is you playin'?

Somebody yelled out, "You die!"

Before I could even reply,

some nigga jumped right through the window buckin' a  
pistol

I jumped out of the chair, grabbed the bullets on the  
way to the stairs

Feelin' hot bullets fly over my head

Thinkin' for sure that I'm gonna be dead

Scared? Oh yeah!  
So I turned around and ran out the backdoor instead  
Them niggas was steadily buckin'  
Whoever was dumpin', they surely did want me in the red.  
Continued to fled--hit a couple of fences  
Thinkin' 'bout who could have did this?  
Retaliation: I'll handle my business, kill 'em--as God as my witness  
I called up my niggas; they ready for war  
Kill 'em's the way that we even the score  
If you did not come for war, what in the fuck you come here for?

(Chorus)x2

What you niggas be? Killas . . .  
Payback is a bitch, and the bitch is on the period,  
period  
Bloody, bloody murder . . .  
Payback is a bitch, and the bitch is on the period,  
period  
Killa . . .

(Bam)

Five infrared dots, trail by these steel toes runnin' in your spot  
You smokin' hot  
Gather troops, destinations be your block  
The stakes is high since '94  
Got your tightest G for ransom  
Maybe unhand 'em and let him go  
Hell no, you shouldn't've chanced it  
It's not essential, got smoked, only deaththreats on your boast  
So take it as a quote, get violent if you see me, loc  
We deadly--step, pay your sins, you'll die a thousand times  
He's found with open eyes, and mesmerized, no vital signs  
That's fifty mercenaries that blood money can't afford  
Jump out of new Accords  
??? got two swords  
A deadly ?, fate been chosen  
Get your eyes swollen  
I roll and dreams we're golden, and now your hood we controllin'  
You tellin' lies, caught you slippin' up at your Mama's house  
Should've took you out, but I told my homies throw you out  
Better thank your stars, relocate anywhere close to

Mars

Stop actin' hard, you got more than you bargained for

(Chorus)

You niggas be killas

Payback is a bitch, and the bitch is on the period,  
period

Bloody, bloody murder . . .

Payback is a bitch, and the bitch is on the period,  
period

Killa . . .

(Bam)

We leave 'em shell-shocked, forty glocks and dirty  
looks and pop shotz

We verse 'em twice; murda books police, 'cause scared  
of heights

It's cowards versus niggas, been shook  
didn't recognize the way your body hangin' from a  
hook

Thugline don't play

(Krayzie)

Shit!

Dog, I done told 'em

We'll rode 'em

Ho ain't got no scrotum

Slippin' in a clip and reload 'em, and when they jump

Yeah, we gon' unload 'em, and hit 'em wherever,  
however they want it

We gon' make sure no one's alive or left to identify me  
It ain't over until you die

(Chorus)

Them you niggas be killas

Payback is a bitch, and the bitch is on the period,  
period

Bloody, bloody murder . . .

Payback is a bitch, and the bitch is on the period,  
period

Killa . . .

Them niggas be killas

Payback is a bitch, and the bitch is on the period,  
period

Bloody, bloody, murder

Don't be fuckin' with the killa, killa, killa, killa

Them you niggas be killas

Payback is a bitch, and the bitch is on the period,  
period

Bloody, bloody murder . . .  
Payback is a bitch, and the bitch is on the period,  
period
