Pay style flows

Uh...we got them Pay Style Flows

50 Wheezy got them Pay Style Flows

Lil Ric got them Pay Style Flows

Probable Cauze got them Pay Style Flows

Marvaless got them Pay Style Flows

Killa Tay got them Pay Style Flows

Uh..uh..

{Lunasicc}

Gettin stuck is my mothafuckin hobby

Dumpin on niggaz wit the Daz right behind me

I pilfer you suckas, but folk I blast mothafuckas

I ride wit real niggaz, can't be drivin wit no bustas

I'm all in the door, like fuck it, I take it slow

Rapin you niggaz wit these Pay Style Flows

You niggaz know better than to fuck wit some G's

I'm poppin niggaz like wheelies, gettin silly, mobbin on

D's

Who in these Sacramento streets wanna fuck wit

Double C?

Just name the date and the time and the place

And I'm brakin you off like D

I'm all about my loochie, givin out rainchecks on

coochie

Unless I'm done stackin my funds

Then I'm packin the back of that booty....uh

My nigga off the hinges, I close the door on yo

business

Overall I'm rated top dog, when it comes to spittin

Ain't this tight(Fo Sheezy), Yeah I know(Fa Sho)

Can't none of y'all fuck wit these Pay Style Flows

Chorus 2x:

Pay Style Flows, pay me, or pay me no mind

I rather have the whole thing than a piece of the pie

Guaranteed to make a mil if you drop the loot

Free style? No, no. I got it poppin fool

{Lunasicc}

My nigga fire up that dewbie

Yo folks he out here conin these streets  
Heavy artillery boy my milli be eatin em up like cold  
meat  
Ain't no joke bitch, I'm twistin niggaz head like a  
snapple  
Tryin to gaffle puttin em out the game wit a blindside  
tackle  
Bout it bout it like Steady Mobbin, young and off weed  
98, Tank, bubblin from a hoe to a ki  
And most definitely wit the weapon I be ya all time killa  
Blood leakin like an oil tank out on the river  
Boy I'm the coldest mothafucka that you ever could've  
known  
30 round shotty, one to ya body, sprayin you hoes like  
cologne  
Doin illegal, doin it legal, mobbin as Evil as Kanevel  
Mob sequel, ain't no equal, doin big dirt til you weep-el  
Now who the roughest, who the toughest  
Who be bluffin, who be stuffin  
Niggaz up in the trunk dead, just for talkin to the feds?  
Double C, the gangsta wit the glock in the cuts  
I-identify the busta, aim first, and I bust

Chorus 2x:

{Lunasicc}  
Ain't no passin up the double barrel  
So when you see me better hide  
I be creepin up, ready to buck, stuck off kryptonite  
Mafioso ready to throw blows, best to back up off me  
Got my weapon, when I'm steppin, cuz I'm out here  
chicken-hawkin  
Young killaz from the West Side bitch, better run  
I be stickin and movin, poppin and groovin, off wit yo  
ones  
Gettin gone off doe-doe, 20 year old, straight loco  
Down to pick up my 4-4, and point it at the po-po  
Fa sho, I thought you knew, I'm way too savage  
Ain't nothin more important than weed and big bank  
stashas  
Automatic five, bailin through my barrel  
I'm killin, coke-dealin, ballin hard like Dana Barros  
Best to keep goin, I'm rippin up flesh, clean off yo bone  
Suicidal wishes, thugs livin in my zone  
These pay style flows, you can't fuck wit the real  
Got solo devotions, and the fetti paper scrill

Chorus 3x:

Pay Style Flows  
We got them Pay Style Flows

My little brother got them Pay Style Flows  
Maniac got them Pay Style Flows  
My cousin Ace got them Pay Style Flows  
C-Bo got them Pay Style Flows  
The 9-1-6 got them Pay Style Flows  
And Lunasicc got them Pay Style Flows  
Bitch
