For every minute that goes by there's
An unanswered question with no reasons
Why
There's an eagle pearching in a dying
Tree
With one eye on you, and one on me
And I hope to find peace on the
Sweet plains of Africa
For every second of my life
There's a lion running through the night
There's an eagle pearching in a dying
Tree
There's a rhinoceros horn on our big tv
And I hope to find peace on the
Sweet plains of Africa
For every second of my life
There's a lion running through the night
There's an eagle pearching in a dying
Tree
There's an elephant tusk on our big tv
But I hope to find peace on the
Sweet plains of Afric
