Here's A Story About A World
And All The Places We Come From
There's A Little Store On Every Corner
The Games We Used To Play For Fun
And Here's A Thought That I've Been Thinking
Just A Mild Case Of What I Know
While All The Babies Eyes Are Sleeping
Another World Is On The Go

We're Changing Fast Our Race And Color
The Way We Call The Earth Our Mother
The Hypocrites In A Peaceful Outcry
Stopping Wars Before They Can Die

There's A Picture On The Wall
Of Elvis In Las Vegas
The Giving Tree Of Lights
Did He Wonder Where The Highway Takes Us?

Enough Enough I Just Can't Take It
We're Out Of Gas It Just Won't Make It
The Fire Now Is Left Still Burning
This Great Big World Just Keeps On Turning

I Don't Know The Way Of The White Man
A Fist Full Of Lust For A New Land
Made To Combust In A Fools Hand
Don't Crawl On Your Knees If You Can Stand

Here's A Story About A World
And All The Places We Come From
There's A Little Store On Every Corner
The Games We Used To Play For Fun
And Here's A Thought That I've Been Thinking
Just A Mild Case Of What I Know
While All The Babies Eyes Are Sleeping
Another World Is On The Go

(Chorus)

This Great Big World Just Keeps On Turning
