There's no time
There's no more places
For us to run away
And leave all these spaces

I know
You know
That we know
We're gonna have an overthrow

Everyone
With a deep-seated need
To find their part
To make them see

And I know
If you know
We know
We're gonna have an overthrow

There's no book
'cause there's no directions
'cause no one overtook, no
Chance at liberation

But I know
That you know
That we know
We're gonna have an overthrow
