Mom I'm so desperate today you and dad should have told me that school have no answers that people are hatefull and I took the same old bus passed by another homeless guy things have not improved for him he was dressed with clothes that you don't need anymore 'cause you have too many and find that they're ugly he was fed with food I left on my plate am I the one full of shit we're living our good old days now I just wanna stay the same old friend I'm still missing something now I don't want it. To be you in 10 years from will we'll still be laughing will we'll still be thinking the same that we do now and we'll drink tonight and we'll laugh knowing we're in a bubbles and we'll play and we'll cry.
