Life's ok, even though it fades away.
The day was dark and it faded into gray.
Took my name and I walked it all around.
To returnâ€¦

Where I found all the other worlds.
In the ground, living in the dirt.
Took my name, and I washed it all away.
To return to the earth.

You're not sleeping.
You're not dreaming.
And it's ok.

Broken down, in [the road of care?]
Came around even if my friends would stare.
Buts it's ok because it brings me all back down
Round againâ€¦

You're not sleeping.
You're not dreaming.
And it's ok.

It quiet now, waves may soak the shore.
Looked around, couldn't see you any more.
So I wrote my name, as I wrote it in the sand.
Waves they came, and removed it from the land.
